

Podium Pros - Slide On Sign Holder

Introducing our versatile acrylic Slide-On Sign Holder, designed for effortless and professional temporary branding of podiums. This sleek, transparent holder easily slides onto the front of the podium's speaking surface, allowing for quick installation and removal without any hassle. Perfect for conferences, seminars, or events, it provides a clean, polished look while offering customizable branding space. The durable acrylic construction ensures long-lasting use and a clear, crisp display of your signage. Whether you're highlighting a sponsor's logo or showcasing event details, this sign holder delivers a sophisticated and adaptable solution for any occasion.

Instructions for Use:

- Attach your temporary branding to the Slide-On Sign Holder using the provided adhesive velcro strips.
 - We recommend printing signage on hard cardstock or komatex backing.
- Place the Slide-On Sign Holder on the front edge of the speaking surface.
- Voila! In two easy steps you have branding for your podium.
